

## Sponsor and CRO Relationships

During our 15 years of clinical trial matchmaking, Investigator Support Services (ISS) has developed long-term relationships with the industry's top pharmaceutical, biotech, and device companies, and several leading CROs. We obtain more than 250 protocols from hundreds of industry contacts annually.

### Industry Relationships

Below is an abbreviated list of companies with whom we work in order to provide our sites with a diverse range of study opportunities.

#### Pharmaceutical Companies

- Abbott
- Alcon
- Allergan
- Altana
- Amgen
- Astellas
- Asterand
- Auxilium Pharmaceuticals
- Bausch & Lomb
- Bayer
- Biogen IDEC
- Boehringer Ingelheim
- Bristol-Myers Squibb
- DOV Pharmaceutical
- Duramed Research
- Eli Lilly
- Elixir Pharmaceuticals
- Emergent BioSolutions
- Forest
- Galderma
- Genentech
- Genzyme
- GlaxoSmithKline
- Hoffmann-La Roche
- Johnson & Johnson
- King
- Luitpold Pharmaceuticals
- Mannkind Corporation
- MAP Pharmaceuticals
- Merck
- MGI Pharmaceuticals
- Mitsubishi
- Neurocrine Biosciences
- NeurogesX
- Novartis
- Ortho Biotech
- Pfizer
- Pozen
- Procter & Gamble
- Protein Sciences
- Sanofi Pasteur
- Sanofi-Aventis
- Schering-Plough
- Schwarz Pharma
- Sepracor
- Solvay
- Takeda America
- TolerRx
- Winston Laboratories
- Wyeth Research

#### Contract Research Organizations

- AAI International
- Advanced Biologics
- Alquest
- Anaclim
- Averion
- Chiltern International
- Concentrics Research
- Constella Group
- Covance
- CROprofessionals
- D. L. Anderson International
- Duke Clinical Research Institute
- Encorium Group
- Endpoint Research
- Essential
- Healthcare Communications Group
- i3 Research
- ICON
- INC Research
- Kendle International
- MDS Pharma Services
- Medpace
- Novum PRS
- OmniCare Clinical Research
- Paragon Biomedical
- Parexel
- Pharmaceutical Resource Corporation
- PharmaLink FHI
- PharmaNet
- Pharm-Olam
- PPD Development
- PRA International
- Premier Research
- PRS Clinical
- Quintiles
- Research Pharmaceutical Services (RPS)
- ResearchPoint
- Rho, Inc.
- RX Development Resources
- Synergy Research
- TKL Research
- United BioSource Corporation
- Westat
